

Cedar Cladding systems: <https://cedarscreen.co.nz>

Rosenfeld Kidson timber merchants are based in Auckland, NZ. They have a couple depots on the North Island - Pokeno timber depot is located approx. 1 hour away from the cabin site location

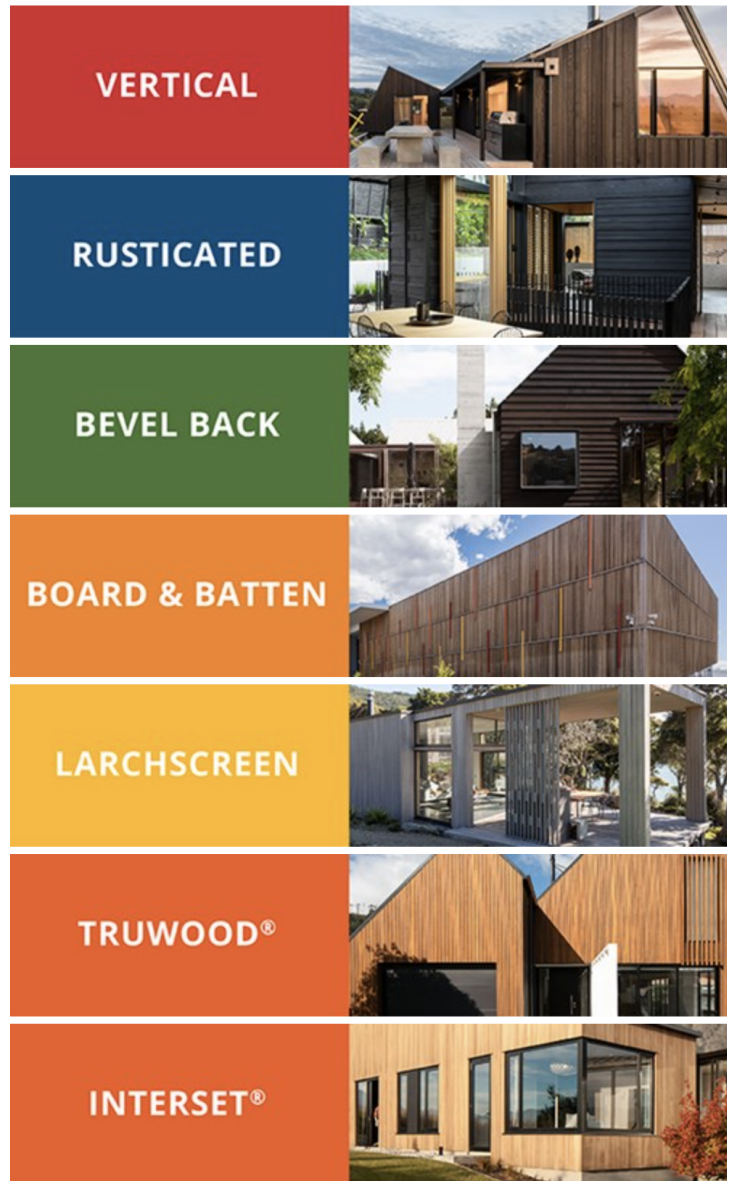

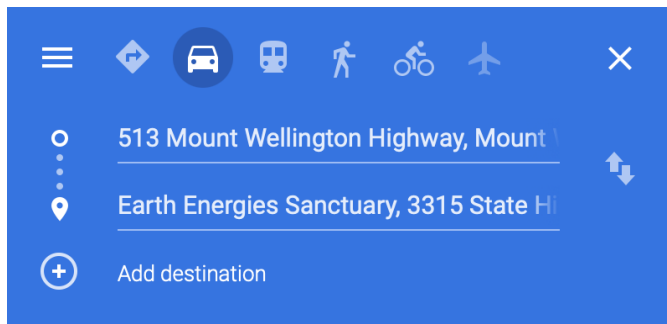

Important info:

They source some timber locally but import a majority of the 'specialist' timber

They do ensure that the woods they import are sustainably managed resources

Founding members of NZTIA (NZ Timber Importer's Association) and ITTG (International Tropical Timber Group) which ensure they import from parts of the world where environmental forest policies are practised

Certification schemes such as FSC®, PEFC, AFS, SFI, CSA and AFTS provide reassurance that the timber is managed responsibly.
